

A Guide to Member Fees

March 2023

Member Fees

Member fees are made up of the following:

MEMBERS	
Upfront fee	\$5,000 (per year)
Project Fee	5% of eligible project costs (deducted from co-investment claims)

Member Fee Example

ABC Corp is a Member and leading a technology leadership project over 2 years with a total project cost of \$5M. Digital is investing \$2.2M into the project, with ABC Corp and the other consortium partners investing \$2.8M into the project.

ABC Corp’s eligible project costs are \$1M (of the total \$5 million) and they will be receiving \$430k of reimbursement (co-investment) from the Supercluster. They make 4 claims over 2 years.

The Membership Fees for ABC Corp are as follows:

	YEAR 1	YEAR 2
Annual member fee	\$5,000	\$5,000
Project-based member fee:		
Claim 1: eligible cost \$250K	5% x \$250K = \$12,500	
Claim 1: eligible cost \$250K	5% x \$250K = \$12,500	
Claim 1: eligible cost \$250K		5% x \$250K = \$12,500
Claim 1: eligible cost \$250K		5% x \$250K = \$12,500
Total fees	\$30,000	\$30,000
